Lions Floor's Bambino SPC collection, available at Meek's, will transform your home with authentic hardwood imaging and 100% waterproof performance.

The collection consists of the latest designer colors and the much desired wire brushed visuals. The waterproof performance makes this flooring an excellent choice to be lived on in any room. The attached pad simplifies installation and provides improved sound reduction. The aluminum oxide treated top wear layer provides added durability from scratches, while the rigid core has improved resistance to indentations.

Lion Floors are FloorScore Certified & Eco-Friendly, absolutely free from formaldehyde & other harmful chemicals.
