

4x4 Cielo Square Tiles on Sale Now @ Meek's Springdale Design Center!

Inspired by ancient Moroccan tiles, Zellige™ Neo blends North African tradition with industrial ceramics. The undulated surface and variation in color tones accentuates the natural imperfections and hand-crafted look of Zellige. Its glossy finish and visible variation creates a blend effect in which the color vibrates strongly. These 4x4 tiles have the power to transform any space.

\$3.70/SF

MARAZZI 

PRICES VALID THROUGH 03/31/24, EXCLUSIVELY AT MEEK'S SPRINGDALE DESIGN CENTER.
