

# 5" Engineered Hardwood Flooring on Sale Now @ Meek's Springdale Design Center!

Water on wood? No worries. The Reflections hardwood collection features an advanced water-resistant barrier that repels moisture the instant it strikes the surface, protecting your floors from everyday use. Each plank is finished with ScuffResist Platinum Technology which protects your new flooring from household scuffing. The Cornerstone Oak hardwood collection adds warm elegance and natural charm to the floors in your home—and Shaw hardwood adds lots of value too.
